We connect people who care about the future of Cheboygan County and Mackinaw City with the causes closest to their hearts. By encouraging individuals to create permanent charitable endowments to meet the ever-changing needs of our communities, we can match donors' charitable interests with worthwhile causes by giving grants and scholarships to area programs and students.

## Straits Area Community Foundation Message from the Board of Directors

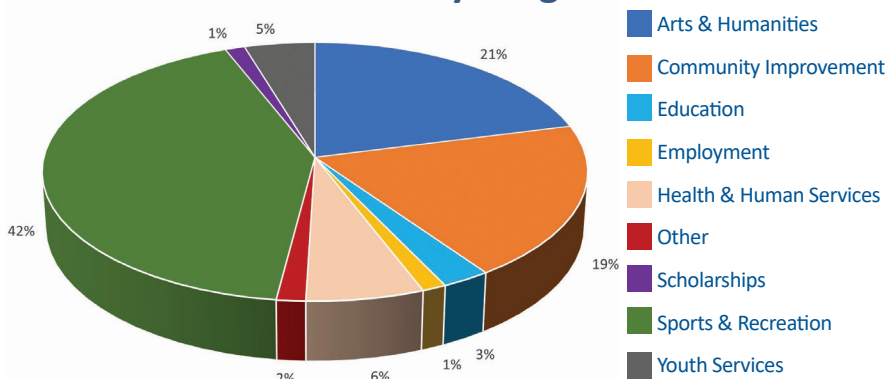

Despite market ups and downs, 2022 was a good year for the Straits Area Community Foundation (SACF). We are proud that the bulk of our competitive grant funding this year is helping Cheboygan County residents support their families, secure a job, and getting students basic needs so they can focus on school. We are also happy that some of our grant funding could go to programs that simply make our community a better place to live, work, and play.

We are thankful for every individual, business, and organization that has chosen the Straits Area Community Foundation as a vehicle for giving, and for making an impact. We are honored to share this 2022 SACF Annual Report with our donors and community. Thank you to all who help make it possible!

### WHAT IS GIVING TUESDAY?

Giving Tuesday is a global day of giving. On the heels of Black Friday and Cyber Monday comes Giving Tuesday - an opportunity to give back. Locally, the Community Foundation hosts Giving Tuesday Northeast Michigan to allow nonprofits the opportunity to take advantage of this huge day of giving at no cost, and with maximum outreach potential. Four Straits Area nonprofits participated in 2022's campaign. Mark your calendar for November 28, 2023 for the next Giving Tuesday Northeast Michigan!
