We connect people who care about the future of Cheboygan County and Mackinaw City with the causes closest to their hearts. By encouraging individuals to create permanent charitable endowments to meet the ever-changing needs of our communities, we can match donors' charitable interests with worthwhile causes by giving grants and scholarships to area programs and students.

A Message from the Board of Directors

2018 was a year of broadening our impact in Cheboygan County and Mackinaw City. Our Board and our donors are passionate, committed, and excited to partner with the Foundation in caring for our communities. We understand and embrace the fact that what makes our region unique is worth supporting and preserving. Our lakes, streams and rivers; our schools and the children educated there; our libraries; our museums; our festivals; our parks...these treasures are worth our care.

We thank each and every person for their contributions in 2018. These forward-thinking donors play a role in each and every grant awarded. We are proud to share our grants and the Foundation's successes. It all happens because of those who care and give back.

With warmest regards and appreciation,
SACF Board of Directors
