Serving Crawford, Ogemaw and Oscoda Counties

We connect people who care about the future of Crawford, Ogemaw and Oscoda Counties with the causes closest to their hearts. By encouraging individuals to create permanent charitable endowments to meet the ever-changing needs of our communities, we can match donors' charitable interests with worthwhile causes by giving grants and scholarships to area programs and students.

A Message from the Board of Directors

Despite market ups and downs, 2022 was a good year for the North Central Michigan Community Foundation (NCMCF). We are proud that the bulk of our competitive grant funding this year is helping to make an impact for individuals and families struggling with mental health, and for children entering foster care. We also had a record-breaking day of fundraising in Crawford, Ogemaw and Oscoda Counties during Giving Tuesday, distributed two significant grants from designated funds, and welcomed several new charitable funds benefitting our communities.

We are so thankful for every individual, business, and organization that has chosen the North Central Michigan Community Foundation as a vehicle for giving, and for making an impact. We are honored to share this 2022 NCMCF Annual Report with our donors and community. Thank you to all who help make it possible.
