Serving Crawford, Ogemaw and Oscoda Counties

We connect people who care about the future of Crawford, Ogemaw and Oscoda Counties with the causes closest to their hearts. By encouraging individuals to create permanent charitable endowments to meet the ever-changing needs of our communities, we can match donors' charitable interests with worthwhile causes by giving grants and scholarships to area programs and students.

A Message from the Board of Directors

As we look back on 2021, we are proud of the work done through the North Central Michigan Community Foundation throughout the year. As a board, we aimed to put our grants in places that help those most in need in Crawford, Ogemaw and Oscoda Counties, while also putting funds toward improving our communities, making them a better place to work, live and play.

We also welcomed a new fund in 2021 - the St. Vincent de Paul of West Branch Fund. As an agency fund, St. Vincent will be able to utilize income generated by the Fund as their board determines, and donors who would like support the organization today, and forever, can do so through a donation to this new fund.

We want to thank each and every donor who supported the Community Foundation in 2021. It is because of you and your collective donations that we are able to make a lasting impact in our communities.
