A Message from the Board of Directors

2018 was a year of growth and of broadening our impact in Iosco County. Our Board and our donors are passionate, committed, and excited to partner with the Foundation in caring for our communities. We understand and embrace the fact that what makes our region unique is worth supporting and preserving. Our lakes, streams and rivers; our schools and the children educated there; our libraries; our museums; our festivals; our parks...these treasures are worth our care.

We thank each and every person for their contributions in 2018. These forward-thinking donors play a role in each and every grant awarded. We are proud to share our grants and the Foundation's successes. It all happens because of those who care and give back.

With warmest regards and appreciation,
ICCF Board of Directors

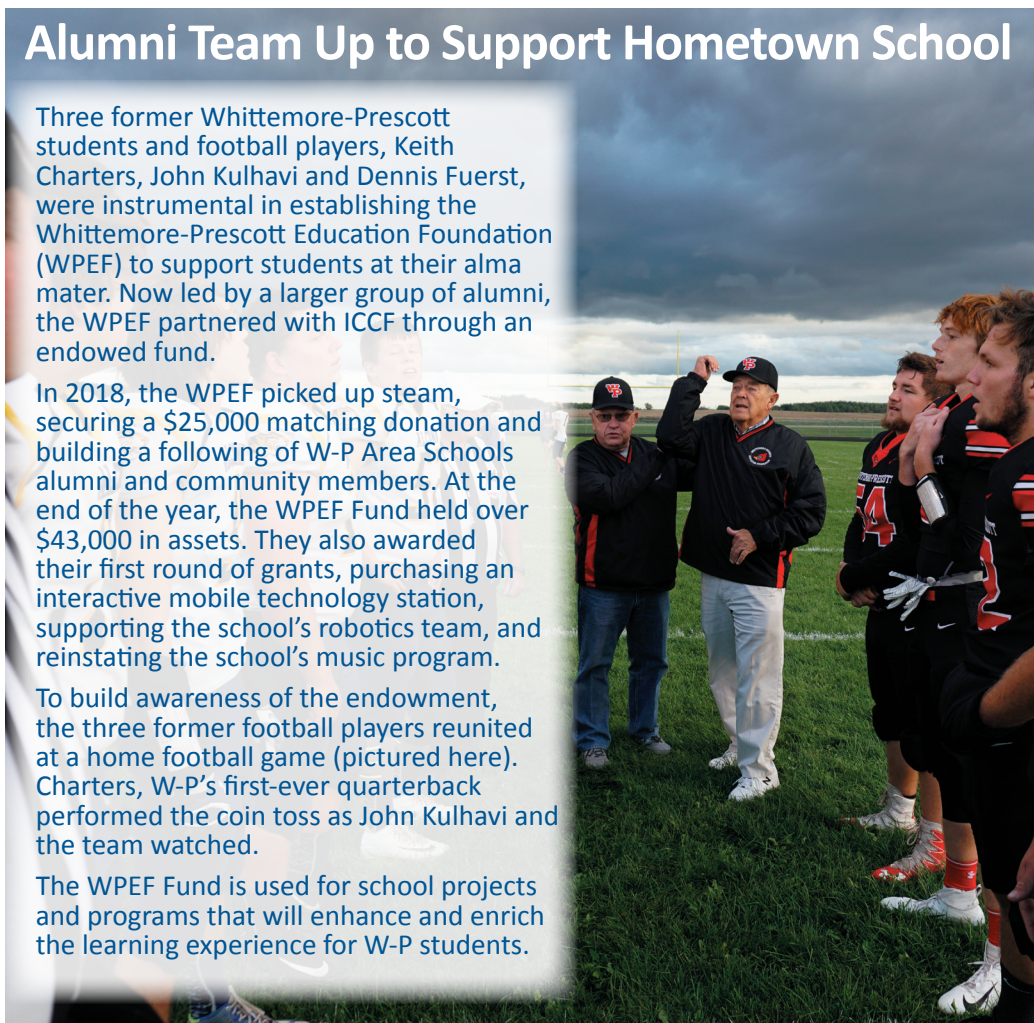

Alumni Team Up to Support Hometown School

Three former Whittemore-Prescott students and football players, Keith Charters, John Kulhavi and Dennis Fuerst, were instrumental in establishing the Whittemore-Prescott Education Foundation (WPEF) to support students at their alma mater. Now led by a larger group of alumni, the WPEF partnered with ICCF through an endowed fund.

In 2018, the WPEF picked up steam, securing a \$25,000 matching donation and building a following of W-P Area Schools alumni and community members. At the end of the year, the WPEF Fund held over \$43,000 in assets. They also awarded their first round of grants, purchasing an interactive mobile technology station, supporting the school's robotics team, and reinstating the school's music program.

To build awareness of the endowment, the three former football players reunited at a home football game (pictured here). Charters, W-P's first-ever quarterback performed the coin toss as John Kulhavi and the team watched.

The WPEF Fund is used for school projects and programs that will enhance and enrich the learning experience for W-P students.

Nancy Huck Named 2018 Philanthropist of the Year

Nancy Huck, of Hale, was named Iosco County Philanthropist of the Year. This award is given annually to recognize an Iosco County resident who gives of their time, talent and resources for the betterment of our communities. She is a quietly powerful force when it comes to making positive things happen in Iosco County.

Mrs. Huck is an instrumental part of the Iosco Exploration Trail (IET), which is creating a non-motorized bike and walking path around Iosco County. She is also involved with the Helen Laidlaw Foundation, the Boy Scouts of America, a local Lions Club, and is also a long-time contributor and advocate for the Iosco County Community Foundation.

A Very Special Thank You to Our Donors

(January 1 through December 31, 2018)

On behalf of the many community organizations and students that benefit from your generosity, the ICCF Board of Directors and staff thank you! Your commitment to giving will continue to benefit our local communities for generations to come.
