## **General Program Information**

### **About the A.C.E. Scholarship Program**

The A.C.E. (Accepting the Challenge of Excellence) Scholarship Program is a three-tiered competition—Local, District, and National—sponsored by the National Exchange Club, the District, and your local clubs. Students who win at the local level advance to the district competition, with the opportunity to compete nationally for a \$15,000 scholarship and a national plaque.

This scholarship honors high school students who have made a dramatic turnaround in their attitude, performance, and future outlook during their high school years. These students often overcome significant challenges—such as physical disabilities, language barriers, abuse, delinquency, or substance abuse—and yet receive little recognition for their achievements.

The A.C.E. Award shines a light on their perseverance and determination, celebrating their success as they prepare to graduate.

The A.C.E. Award is a powerful and uplifting program with two key goals:

1. To inspire students to overcome adversity and stay on the path to graduation.
2. To recognize and celebrate those who are often overlooked, showing that resilience and hard work truly matter.

This recognition not only honors deserving students but also sets a meaningful example for others in the community.

### **CLUB LEVEL COMPETITION**

Participation in the A.C.E. Award Program is Voluntary. Each Club's Board is responsible for deciding whether to participate in the A.C.E. Award program. This includes determining:

- The level of interest in the program
- The number of scholarships the Club can offer
- The financial resources available to support participation

For full details and guidance, please refer to your Club's official guidelines.

### **DISTRICT LEVEL COMPETITION**

Each Club may nominate two students from the Club. If your students are selected as the District A.C.E. Award winners, they must submit a high-quality 5" x 7" photo in JPEG format for publicity purposes. Winners will receive an A.C.E. Award plaque and a scholarship. They will be honored at the annual District Convention. Winners will be notified in advance regarding the time and location of the event and attendance is mandatory. If a selected student is unable to attend, the first runner-up will be named the winner in their place.

### **NATIONAL LEVEL COMPETITION**

District A.C.E. Award winners will be entered into the National Exchange Club competition. One national winner will receive a \$15,000 scholarship and a commemorative plaque. The submission deadline for our district is June 1st of the award year.
