We connect people who care about the future of Crawford, Ogemaw and Oscoda Counties with the causes closest to their hearts. By encouraging individuals to create permanent charitable endowments to meet the ever-changing needs of our communities, we can match donors' charitable interests with worthwhile causes by giving grants and scholarships to area programs and students.

A Message from the NCMCF Board of Directors

2020 was a year like no other. Philanthropy plays an important role during times like these. It can provide emergency funding, offer an avenue for those who can give to do so, and support the continuation of programs and projects that are important to our community. We are proud to be part of that. Through our annual grants, we have supported ongoing programs, as well as those adapting to the realities of the pandemic.

Amid everything 2020 handed us, we are proud to share these snapshots of what the North Central Michigan Community Foundation has done locally. We thank each and every donor who has helped make this possible over the years, and particularly those who supported NCMCF funds this year. Together, we are making a difference close to home.

With warmest regards and appreciation,

NCMCF 2020 Board of Directors
