A Message from the Board of Directors

Despite market ups and downs, 2022 was a good year for the Iosco County Community Foundation (ICCF). We awarded two of our largest Community Improvement Grants this year to two very different projects; had several new charitable funds established that will provide great opportunities for our communities, welcomed a new board member (Toby Suttle), and introduced a rejuvenated Citizen of the Year and Junior Citizen of the Year (formerly Philanthropist of the Year) program.

We are so thankful for every individual, business, and organization that has chosen the Iosco County Community Foundation as a vehicle for giving, and for making an impact. We are honored to share this 2022 ICCF Annual Report with our donors and community. Thank you to all who help make it possible!
