## A MESSAGE FROM THE PRESIDENT

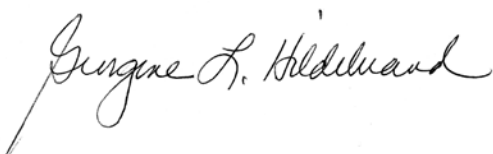

Thirty-five years ago, a small group of visionary citizens made a very smart decision that continues to benefit all of us today. Put into place was a structure that would ensure the community qualities we all value: good health, quality education, strong neighborhoods, cultural amenities, and a clean environment. We work to have these qualities here for us, for good, forever. Since 1974, the Community Foundation for Northeast Michigan (CFNEM) and its affiliates have distributed grants totaling more than \$24 million to support a wide array of programs, all of which have shared a single purpose: to improve the quality of life for the people of northeast Michigan.

Through the economic challenges we experienced in 2009, especially in northeast Michigan, we've all heard wishes for an improved economy, wishes for more employment and wishes for better economic conditions. However, as Eleanor Roosevelt said: *"It takes as much energy to wish as it does to plan."* So during 2009, the CFNEM Board came together and focused its energy to update its strategic plan. We wanted to ensure that CFNEM was following its original course, but was also aware of and ready to respond to the most current and critical issues facing our communities. The Board also made some changes to its investment portfolio to help stay on course even in tough economic times. Planning: not just for now, but for the future.

During our 2009 fiscal year we welcomed more than 400 first time donors. And the gifts CFNEM received for the year totaled nearly \$1.3 million, which, despite the troubled economic times, is an increase over last year. CFNEM also awarded grants of \$630,000 to organizations working to improve the quality of life in northeast Michigan.

It is our plan to invite everyone to experience the joy of sharing with their community. If you have thought about making a gift, now is the time. If you are among our generous donors who have given in the past, the grant recipients thank you. We look forward to even more generous support in the future.

Let us together turn our wishes into a plan. After all, as we say in our updated vision statement, "We build strong, vibrant and sustainable communities through the power of everyone's giving."

Georgene L. Hildebrand  
President

# Northeast Michigan Youth Advisory Council (NEMYAC)

NEMYAC is a permanent committee of the Community Foundation for Northeast Michigan (CFNEM) and is comprised of approximately 60 students and seven adult advisors from the counties of Alcona, Alpena, Montmorency, and Presque Isle. Since April of 1993, YAC members have recommended over \$800,000 in grants for the four county service area. In the spring of 2010, the total number of grants submitted for review will reach 1,000. Thanks to a challenge grant from the W.K.Kellogg Foundation, CFNEM's YAC has over \$1 million permanently endowed in a youth field-of-interest fund. The fund provides nearly \$50,000 each year to be allocated for youth related programs and projects. After the students review grant applications and reach consensus about funding amounts, their recommendations are presented to the CFNEM Board of Trustees for final approval.

Above: YAC members from the counties of Alcona, Alpena, Montmorency, and Presque Isle meet three times each year to review grant applications.

YAC advisors and students completed laps for the "Let's Get Moving Northern Michigan" project. Back L to R: Erin Fleming, Jim Gunderson, Michael Neumann, Scott Badgero, and Kim Wade. Front: Nicole DeFour, Natalie DeFour, and Amber Tyler.

Above: YAC grants help provide new skills and adventures for area youth.

Right: During the holidays, students decorated cookies and delivered them to the homeless shelter.

Area youth often participate in community improvement project grants. Above left: The Mural of Hope in the outdoor garden area of the Alpena Cancer Center. Right: Renovation of the Atlanta Elk display, a focus of community pride in Montmorency County for many years.

# Affiliate YACs

CFNEM's affiliate Youth Advisory Councils (YAC) award grants each year to youth programs in their communities. Young people in Iosco County (ICCF), Crawford, Ogemaw and Oscoda Counties (NCMCF), and Cheboygan County and Mackinaw City (SACF) benefit from these grants. YAC members learn about the power of philanthropy, and it empowers them to make a real difference in their communities through grantmaking and service.

## Iosco County Community Foundation YAC

In 2009, the ICCF YAC awarded \$7,528 in grants to youth programs in Iosco County's communities.

Left: Four ICCF YAC members attended the 2009 Summer Youth Leadership Conference, hosted by the Council of Michigan Foundations (CMF).

ICCF YAC awarded a grant to St. Paul Lutheran Church to purchase book bags and school supplies for low-income students in Iosco County. The bags were distributed in time for the new school year.

### NCMCF YAC Grant

Ogemaw County YAC awarded a grant to Grayling Cooperative Preschool, Inc. for equipment and supplies for music activities for students.

NCMCF YACs learn about philanthropy through grantmaking and community service. Above, YACers practice reviewing grant applications during their 2009 annual orientation meeting in October.

In addition to grantmaking, YAC members participate in community service activities like sending care packages to U.S. troops, helping with book drives, and taking part in Kids Against Hunger events.

### APPLYING FOR A GRANT

The Community Foundation for Northeast Michigan welcomes grant applications from tax-exempt organizations recognized under Section 501(c)(3) of the Internal Revenue Code, and other qualified public entities (churches, schools, and governmental agencies). Grant applications are reviewed by program staff and evaluated by screening committees of the Community Foundation, who make recommendations to the Board of Trustees. The Board makes the final determination regarding all grants.

Grants are made in areas such as education, environment, health care, human services, humanities, and public benefit. Generally, grant awards are made only to eligible organizations that benefit the residents of northeast Michigan. Applicants can find grant and scholarship information, forms and deadlines on our website at [www.cfnem.org](http://www.cfnem.org), or by calling the Foundation's program staff at (989) 354-6881, or toll free at (877) 354-6881. To make it even easier, you can now fill out and submit grant or scholarship applications online.

## THE LEGACY SOCIETY

THE LEGACY SOCIETY is an organization of friends and benefactors of the Community Foundation for Northeast Michigan and its affiliates who have made plans to leave a gift to the Foundation. Too often, such gifts go unrecognized because they come at the end of the donor's life. The Legacy Society provides a way to recognize and thank donors during their lifetimes.

To become a member of the Legacy Society, the only requirement is a statement of establishment or intent to leave a gift to the Community Foundation through a bequest, charitable trust, life insurance or other planned gift. Membership can be anonymous if desired. Members of the Legacy Society are special people who have provided for the future of northeast Michigan through the Community Foundation. The purpose of the Legacy Society is to commend and recognize these people for their foresight and interest in supporting their community.

There are many ways to include the Community Foundation in estate planning and thereby become a member of the Legacy Society. For more information, contact the Community Foundation office at (989) 354-6881, or toll free at (877) 354-6881.

Members of the Legacy Society are:

Carl O. Basel	Carl & Christine Huebner	Eugene Nemeth

**Following the Great Depression and World War II**, the United States entered a golden age of business growth and personal prosperity. Despite the recent downturn in the economy, Americans have created, invested and multiplied unprecedented private wealth. Over the next 50 years, this capital—a conservative estimate of \$50 trillion—will change hands. Most will certainly go to heirs (and taxes), but a portion may be preserved as your legacy for the future of northeast Michigan.

Research has been done by the Rural Policy Research Institute (RUPRI) Center for Rural Entrepreneurship, and funded in part by the W. K. Kellogg Foundation, estimating the portion of wealth transfer likely to happen in our state and community. Retaining a slice of that wealth for philanthropy as it transfers generations is a historic opportunity for strengthening northeast Michigan. That's why the Community Foundation for Northeast Michigan and its affiliates are working to secure planned gifts and bequests for endowments that will ensure a stronger future for northeast Michigan, forever.

### **Michigan Transfer of Wealth**

Using conservative analysis, economists estimated in 2005 the net worth of Michigan residents to be \$848.35 billion (\$198,000 per household). While those figures may be somewhat reduced in 2010, over the next ten years, \$140.62 billion (\$34,000 per household) is expected to pass from one generation to the next. Over the next 50 years, \$972.24 billion (\$225,000 per household) of wealth is expected to transfer to heirs. And, if we don't take action, much of those assets in northeast Michigan will drain from our state.

### **What you can do**

No matter whether your estate is large or small, plan a portion of it to go back to your community. You can work with your professional advisor to work out the details or it can be as simple as a bequest in your will of a percentage of your assets to go to the Community Foundation to support your community. If we who live in northeast Michigan don't make plans to support it, who will?
