A Message from the Board of Directors

As we look back on 2021 we are proud of the work done by the Iosco County Community Foundation throughout the year. As a board, we aimed to put our grants in places that help those most in need in Iosco County, while also putting funds toward improving our communities and making them a better place to work, live and play.

This year we also welcomed the Laidlaw Foundation Fund as the newest donor-advised fund at ICCF. This fund will be used to support the charitable interests of the Laidlaw Foundation, which has done a lot of great work right here in Iosco County and elsewhere. We are pleased to welcome them to ICCF.

We want to thank each and every donor who supported the Community Foundation in 2021. It is because of you and your collective donations that we are able to make a lasting impact in our communities.
