We connect people who care about the future of Cheboygan County and Mackinaw City with the causes closest to their hearts.

By encouraging individuals to create permanent charitable endowments to meet the ever-changing needs of our communities, we can match donors' charitable interests with worthwhile causes by giving grants and scholarships to area programs and students.

Straits Area Community Foundation Message from the Board of Directors

2020 was a year like no other. Philanthropy plays an important role during times like these. It can provide emergency funding, offer an avenue for those who can give to do so, and support the continuation of programs and projects that are important to our community. We are proud to be a part of that. Through our annual grants, we have supported ongoing programs, as well as those adapting to the realities of the pandemic.

Amid everything 2020 handed us, we are proud to share these snapshots of what the Straits Area Community Foundation (SACF) has done locally. We thank each and every donor who has helped make this possible over the years, and particularly those who supported SACF funds this year. Together, we are making a difference close to home.
