COMMUNITY FOUNDATION FOR NORTHEAST MICHIGAN

CORRECTION TO 2009 ANNUAL REPORT

We deeply regret that there was an error in our donor list in our 2009 Annual Report. Our donors are our most important asset and we ask all of our donors to accept our sincere apology. The following donors, who made gifts on December 31, 2009, were accidentally omitted from the donor list in our 2009 Annual Report. We can assure our donors that we did receive their gifts, which were acknowledged to the donors, and their gifts are working to support the funds they had indicated. Unfortunately, the report we used to create the list of donors that went into the 2009 Annual Report was run incorrectly.
